Exciting outdoor adventures

### Day 1: Arrival

Flight to Aberdeen. Transfer to Aviemore. Last purchases can still be made. A cozy evening, with the last preparations for the tour in the pub with live music.

### Day 2: Aviemore - Nethy Bridge - Lazy Duck Farm

The day starts with a Scottish breakfast. A broad forest road leads us first to Boat of Garten. A little later we enter the Abernethy Forest for the first time. It goes through loosely mixed forests to Nethy Bridge and on to Lazy Duck Farm. The highlight awaits us: "Jungle Show-er", sauna with music and a romantic fireplace. Distance: 18km, Walking time: 4h30

### Day 3: Lazy Duck Farm - Ruin Letteraitten Farm

First, a riverwalk follows into the "Upper Dell". It is now deeper and deeper into the Abernethy Nature Reserve. A delightfully small lake invites you for a coffee break in the great outdoors. Finally we reach "Eag Mhor". At the last river crossing water is still being taken, because today's sleeping place lies on a hill. Shortly after the Dor-back Lodge we reach the Ruin Letteraitten Farm. The panoramic view of the mountains makes you forget the hardships. Distance: 19km, Walking time: 5h30

### Day 4: Ruin Letteraitten Farm - Tomintoul

With views of the "Glen Brown" and the mountain "Carn Medhonnach" come to a stream and follow this to the river "Burn of Brown". The "Bridge of Avon" at the river of the same name invites you to rest. Continue

through pastureland until we reach Tomintoul. Today is shower and sleep in beds in the program. There are also some small shops with interesting Scottish products that should not be missed. Distance: 10km, Walking time: 3h

### Day 5: Tomintoul - Faindouran Lodge

First destination: "Queen Victoria's Viewpoint" with stunning views. Just before "Inchroy Lodge" is halfway the track. The "Glen Avon" is now becoming more beautiful and impressive. It follows "Ponymen's hat". Like an amphitheater, "Ben Avon" and "Beinn a Bhuidr" are in front of us. Later we see our destination for the first time in the distance, which we reach after half an hour. We place our tents directly on the "River Avon". Here you can enjoy something that only rarely exists in Europe: "Alone with nature and its fantastic aura"! Distance: 24km, Walking time: 6h30

### Day 6: Faindouran Lodge - Loch Avon

Although we have only a few kilometers to master today, they are very difficult. Swampy and partly weglos. After about 3 hours of walking, "Loch Avon" comes into view for the first time. Surrounded by bizarre, dramatic mountains at 725 meters above sea level. From its north-eastern end we walk along its shore through steep heath slopes to the sandy beach on its southeastern side. This unique mountain panorama lets us have an unforgettable evening. Distance: 10km, Walking time: 4h30

### Day 7: Loch Avon - Glenmore

We first climb a saddle. In the distance we see again "Abernethy Forest". The endless expanses in the lower "Strath Nethy" impress. Our journey through this fairytale valley ends at a forest road that leads us into Glenmore Forest Park. Here we reach our campsite, showers included. The lodge's pub serves dinner today. A glass of beer as a reward for our efforts has its justification. Distance: 15km, Walking time: 6h

### Day 8: Glenmore - Aviemore

"Loch Morlich" is our first destination today, half of which we walk around through beautiful pine forests. We take the path to the "Loch Eilean" through the "Rothie-murchus Forest." We admire the castle ruins on a tiny island in the lake at the small adjoining art shop, and shortly thereafter we meet the Fishing

Center, which is only a few meters away. The starting point of our hiking adventure is now extensively showered and celebrated even more extensively, because we have made it through an unforgettable natural landscape that will forever remain in our heads. Distance: 15km, Walking time: 4h

### Day 9: Return journey

Once again we enjoy a real Highlander breakfast, afterwards we leave Aviemore. Return flight.
